Garth Brooks is the holder of so many “titles”: he has sold 100 million albums – making him the top selling solo artist in history, his “Double Live” album is the largest selling live album in history. His career spanned 10 years (1989 to 1999 – when he announced his retirement), however he has since released one further album. Universally recognised by all the institutions that comprise entertainment; he will be around for a long time – one way or the other...

We were fortunate, indeed, to have some of our players on this track who played on the original version. All the players were familiar with the tune and adjusting it to the Square Dance template – although a little “frenetic” was – relatively – easy. A great recording, always received well by dance groups!

### **Additional Lyrics:**

On the eighth day God noticed a problem  
For there below Him stood a cowboy alone  
Stubborn and proud, reckless and loud  
God knew he'd never make it on his own  
So God looked out all over creation  
And listened as that cowboy prayed  
God took passion and thunder  
Patience and wonder then He sent down  
The best thing that God ever made

Cowboys and angels leather and lace  
Salt of the earth meets heavenly grace  
Cowboys and angels tested and tried  
It's a long way to heaven  
And one hell of a ride

Nothin's changed since the dawn of creation  
For you will find them together today  
And only heaven above them knows why  
she loves him  
But he must be the reason she don't fly away

Cowboys and angels leather and lace  
Salt of the earth meets heavenly grace  
Cowboys and angels tested and tried  
It's a long way to heaven  
And one hell of a ride

It's a long way to heaven  
And one hell of a ride

### **Where, When and Who produced the music:**

This was part of the fifth group of releases on Sting that were recorded in Nashville. A total of nine songs were recorded during this session, which was the last session to be arranged and produced by Stefan Sidholm and Ingvar Pettersson. On this particular occasion, we “shared” the musicians with Jerry Story, who was running a session for Royal Records!

Recorded in October 1998, the music featured the top session musicians in Nashville. These included: Gregg Galbraith – who acts as band leader - on guitars, Terry McMillan on Harmonica and percussion, Doug Jernigan on Steel and Dobro, Jerry Kroon on Drums, Roger Morris on Piano and keyboards with Rob Hojacos on fiddle, David Smith on Bass Guitar and Bruce Watkins on Rhythm Guitar / Banjo / Mandolin. Also worthy of special mention is our engineer on these sessions – also the studio owner – Kevin McManus.

### **Acknowledgement to Royal Records:**

We are indebted to Jerry Story and Tony Oxendine who introduced us to the studio in Nashville and invited us to use the top-of-the-line professional session musicians that they had assembled, to play for Royal Records.
