Everybody knows the Beatles (I hope...) and most of you will be aware that I enjoy recording Beatles' songs. However, this one is a special tune for a number of statistical reasons. **All You Need Is Love** was written by John Lennon for the **Our World** live television spectacular and was performed by the Beatles in June 1967; 400 million people around the world saw the programme. The number was included on the **Yellow Submarine** album. **Released:** UK July 7, US July 17 1967.

I decided to use a 6/8 rhythm on this track, as it is a "fun" tune! Any song that you can learn to sing, just by knowing the title, is bound to be a sing-a-long crowd pleaser. I have included as much different instrumentation as possible on this recording; including a short section of the French National Anthem, at the beginning – exactly as per the original! A really popular tune with ALL groups of Square Dancers, a simple fun song... Use it and join in the enjoyment!

Additional Lyrics:

There's nothing you can do that can't be done.
Nothing you can sing that can't be sung.
Nothing you can say
But you can learn how to play the game - It's easy.
All you need is love
All you need is love,
All you need is love, love
Love is all you need.

There's nothing you can make that can't be made.
No one you can save that can't be saved.
Nothing you can do
But you can learn how to be in time - It's easy.

There's nothing you can know that isn't known.
Nothing you can see that isn't shown.
Nowhere you can be
That isn't where you're meant to be - It's easy.

Where, When and Who produced the music:

This was part of the tenth group of releases on Sting that were recorded in Nashville, during September 2005. A total of fourteen songs were recorded during this session, which was the fifth to be arranged and produced by Paul Bristow – following his purchase of the company. Also in attendance at this session were Associate Producer: James Wyatt and Recording Artist: Neil Whiston.

Recorded in September 2005, the music still features the top session musicians in Nashville, including: Gregg Galbraith – as band leader playing all lead Guitars, Terry MacMillan on Harmonica and percussion, Doug Jernigan on Steel and Dobro, Jerry Kroon on Drums, Roger Morris on Piano and Keyboards, with Fiddle by Rob Hojacos, David Smith on Bass Guitar and Bruce Watkins playing on Rhythm Guitar and Banjo. Also worthy of special mention is our engineer on these sessions – the studio owner: Kevin McManus.

Acknowledgement to Royal Records:

We are indebted to Jerry Story and Tony Oxendine who introduced us to the studio in Nashville and invited us to use the top-of-the-line professional session musicians that they had assembled, to play for Royal Records.
