This song was the first hit record for Howard and David Bellamy - the Bellamy Brothers, it paved the way for a number of successful recordings. This song was first released in 1975 and hit No.1 on the U.S. charts (No.7 in the U.K.). It is a song with a simple message that still remains popular to this day.

**ABOUT THE RE-RELEASE:** This was one of the first tunes that we recorded in Nashville and has been one of our best sellers and one of our most popular tunes for a long time. The original Square Dance recording, with a vocal by Paul Bristow, has been unavailable for many years. This new version, a complete digital re-mix, features a dynamic new vocal by Jerry Story, who was actually in the studio, with us, in 1989 – when the music was first recorded!

Additional Lyrics:

There's a reason for the sunshine in the sky  
There's a reason why I'm feeling so high  
Must be the season  
When those love lights shine all around us

So let that feeling grab you deep inside  
And send you reeling where your love can't hide  
And then go stealing through the moonlit night  
with your lover

There's a reason for the warm sweet nights  
And there's a reason for the candle lights  
Must be the season  
When those love lights shine all around us

So let that wonder take you into space  
And lay you under its loving embrace  
Just feel the thunder  
As it warms your face you can't hold back

Just let your love flow  
Like a mountain stream  
And let your love grow  
With the smallest of dreams  
And let your love show  
And you'll know what I mean  
- it's the season

Let your love fly  
Like a bird on the wing  
And let your love bind  
You to all living things  
And let your love shine  
And you'll know what I mean  
- that's the reason

### Where, When and Who produced the music:

In 1989, we began recording in Nashville. We are indebted to Jerry Story and Tony Oxendine who introduced us to the studio in Nashville and invited us to use the top-of-the-line professional session musicians that they had assembled, to play for Royal Records.

This was part of that First group of releases on Sting that were recorded in Nashville. A total of four songs were recorded during this session, which was produced jointly by Stefan Sidholm and Ingvar Pettersson.

The music featured the top session musicians in Nashville. These included:

Gregg Galbraith – who acts as band leader - on guitars, Terry McMillan on Harmonica and percussion, Doug Jernigan on Steel and Dobro, Jerry Kroon on Drums, Roger Morris on Piano and keyboards with Rob Hojacos on fiddle, David Smith on Bass Guitar and Bruce Watkins on Rhythm Guitar / Banjo / Mandolin. Also worthy of special mention is our engineer on these sessions – also the studio owner – Kevin McManus.
