Alabama have been playing-up-a-storm since signing a recording contract with RCA records, in 1980! This track came from their “American Pride” album and was a “number one” in the Country charts – where it stayed for many weeks – when released as a single, in 1992. They have received virtually every award available for what they do and even have a “star” on the “Hollywood Walk Of Fame”!

ABOUT THE RE-RELEASE: This was one of the first tunes that we recorded in Nashville. The decision to re-release this tune was not a difficult one, it had been one of our best sellers and one of our most popular tunes for a long time. The original, with a vocal by Robert Björk, has been unavailable for many years. This new version, a complete digital re-mix, features a vocal by Tony Oxendine and Jerry Story; Jerry was actually in the studio, with us, in 1989 – when the music was first recorded

Additional Lyrics:

Rollin' down a backwoods Tennessee byway
One arm on the wheel
Holdin' my lover with the other
A sweet, soft, southern thrill

Home grown country girl
Gonna give me a whirl
On a Tennessee Saturday night
Lucky as a seven livin' in heaven
With my Dixieland delight.

Worked hard all week; got a little jingle
On a Tennessee Saturday night
Couldn't feel better: I'm together
With my Dixieland delight

Spend my dollar; parked in a holler
'Neath the mountain moonlight
Hold her uptight; make a little lovin'
A little turtle dovin' on a Mason Dixon night.
Fits my life, oh, so right: my Dixieland delight

Whitetail buck deer munchin' on clover
Redtail hawk settin' on a limb
A chubby old groundhog, croakin' bullfrog
Free as the feelin' in the wind

Where, When and Who produced the music:

In 1989, we began recording in Nashville. We are indebted to Jerry Story and Tony Oxendine who introduced us to the studio in Nashville and invited us to use the top-of-the-line professional session musicians that they had assembled, to play for Royal Records.

This was part of that First group of releases on Sting that were recorded in Nashville. A total of four songs were recorded during this session, which was produced jointly by Stefan Sidholm and Ingvar Pettersson.

The music featured the top session musicians in Nashville. These included:

Gregg Galbraith – who acts as band leader - on guitars, Terry McMillan on Harmonica and percussion, Doug Jernigan on Steel and Dobro, Jerry Kroon on Drums, Roger Morris on Piano and keyboards with Rob Hojacos on fiddle, David Smith on Bass Guitar and Bruce Watkins on Rhythm Guitar / Banjo / Mandolin. Worthy of a special mention is our engineer on these sessions – also the studio owner – Kevin McManus.
