This is one of the songs that was written as a Square Dance and does not exist in any other form. The lyrics are based upon those originally written by Klaus Strand-Holm but have been modified by the Recording Artist – Tommy P Larsen. This was Tommy's very first recording on Snow and features his excellent vocal style. Tommy enjoys a lot of well deserved success as a Square Dance Caller in Denmark and – when asked on many other International venues.

The instrumentation on this tune is representative of the very “tight” rhythm/melody structure that you will find on all the “Gammeldansk” tunes. In my opinion it is a first-rate format for Square Dancing that works to everyone's advantage; it's easy to dance to and easy to call to! The slightly unusual “Latin” feel to this song makes it almost unique and the lyrics are definitely “tongue-in-cheek”; i.e.intended to make you smile. It's a humorous love ballad and a great song for a fun event!

Additional Lyrics:

As this is an original tune, especially written for Square Dancing, all available lyrics are printed on the record sleeve

Where, When and Who produced the music:

In 1990, Ingvar Pettersson and Robert Björk formed a business relationship with Klaus Strand-Holm in Denmark.

Klaus's wife Karin had been teaching Traditional forms of Square Dancing in Denmark for some time and Klaus – an excellent musician, who had his own studio and access to many first-rate players – had been producing music for Karin to use in her courses. This same music was featured on a series of audio-cassette tapes, with which many Danish dancers will be familiar.

Klaus agreed that – if Ingvar and Robert would provide choreography and vocals for some of the audio-cassettes, in part using Sting and Snow instrumentals, then Sting and Snow could release his music – on vinyl – on our label.

These Danish recordings – more recently attributed to “Gammeldansk” (which is a most potent alcoholic “snaps-style” breakfast drink and literally translates as “old Danish”) – are very well structured tunes that rely upon a simple but effective rhythm that underpins very bright and clear lead and fill instrumentation. Many of them were written especially as Square Dance Tunes and have never been available in any other form.

In 2001, Klaus sold a further batch of his music to Sting and Snow, all of which were “original” songs.
