The Calling is a band from Los Angeles, California, formed by Alex Band (vocals) and Aaron Kamin (guitars). After forming, Band and Kamin were signed to a deal with RCA. As their band advanced, Sean Woolstenhulme (guitars), Billy Mohler (bass) and Nate Wood (drums) were added as extra musicians, and The Calling's first album was released in July 2001, *Camino Palmero* became a hit, due to the strength of its single, "Wherever You Will Go".

The music for this tune is really beautiful and makes use of soft and gentle parts together with much fuller and dynamic sections. We decided that we would try and follow this pattern as far as we could, which led to a somewhat different type of Square Dance singing call. Thorsten Hubmann, who chose the tune, provided an excellent referenced for the composition that was used to create this very "majestic" piece. A smooth song, sure to be a winner.

Additional Lyrics:

So lately, I've been wonderin'
Who will be there to take my place
When I'm gone, you'll need love
To light the shadows on your face
If I could, then I would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go

And maybe, I'll find out
The way to make it back someday
To watch you, to guide you
Through the darkest of your days

And maybe, I'll find out
The way to make it back someday
To watch you, to guide you
Through the darkest of your days
Runaway with my heart
Runaway with my hope
Runaway with my love

If a great wave shall fall
It would fall upon us all
Well I hope there's someone out there
Who can bring me back to you

I know now, just quite how
My life and love might still go on
In your heart and your mind
I'll stay with you for all of time
If I could turn back time
I'll go wherever you will go
If I could make you mine
I'll go wherever you will go

If a great wave should fall
It would fall upon us all
And between the sand and stone
Could you make it on your own

Final Tag: - - - - I'll go wherever you will go

Where, When and Who produced the music:

This was part of the eleventh group of releases on Sting and Snow that were recorded in Nashville, during November 2006. A total of fourteen songs were recorded during this session, which was the sixth to be arranged and produced by Paul Bristow. On this occasion, Paul had his family with him to provide moral AND technical support! Also in attendance at this session was Snow Recording Artist: Wil Stans.

Recorded in November 2006, the music still features the top musicians in Nashville: Gregg Galbraith – as band leader playing all lead Guitars, Terry MacMillan on Harmonica and percussion, Doug Jernigan on Steel and Dobro, Jerry Kroon on Drums, Roger Morris on Piano and Keyboards, Fiddle by Rob Hojacos, Larry Paxton on Bass Guitar, Rhythm Guitar was played by Bruce Watkins and Mark Catstevens, with Bruce also on Banjo. We also had George Tidwell on Trumpet and Kevin McManus (studio owner) as the engineer.

Acknowledgement to Royal Records:

We are indebted to Jerry Story and Tony Oxendine who introduced us to the studio in Nashville and invited us to use the top-of-the-line professional session musicians that they had assembled, to play for Royal Records.
