KISS is an American rock band formed in New York City in 1973. Easily identified by their trademark face paint and stage outfits, the group rose to prominence in the mid-1970s on the basis of their elaborate live performances, which featured firebreathing, blood spitting, smoking guitars, and pyrotechnics. Kiss has been awarded 45 gold albums to date; the group's worldwide sales exceed 80 million albums. The original lineup comprised Gene Simmons, Paul Stanley, Ace Frehley and Peter Criss.

Uli Schingen chose this track to record as his third release on Snow. It was originally released on KISS's 1979 album Dynasty and was the band's second Gold single, selling over 1 million copies. We took a lot of time on this tune to try and make the best use of our Nashville musicians in order to create a "tribute" feel for our Square Dance version. The song is a super "Heavy-Metal" Square Dance and provides an unusual flavour – great instrumentation, a driving beat, an "instant winner"!

### Additional Lyrics:

I was made for lovin' you baby, you were made for lovin' me  
And I cant get enough of you baby, can you get enough of me?  
I was made for lovin' you baby, you were made for lovin' me  
And I can give it all to you baby, can you give it all to me?

Tonight ... I wanna give it all to you  
In the darkness, there's so much I wanna do  
And tonight ... I wanna lay it at your feet  
Cause girl, I was made for you and girl, you were made for me

Tonight ... I wanna see it in your eyes  
Feel the magic, there's something that drives me wild  
And tonight ... we're gonna make it all come true  
Cause girl, you were made for me and girl I was made for you

Oh, I was made  
You were made  
I cant get enough  
No, I cant get enough

I was made for lovin you baby, You were made for lovin me - Tonight!!

### Where, When and Who produced the music:

This was part of the eleventh group of releases on Sting and Snow that were recorded in Nashville, during November 2006. A total of fourteen songs were recorded during this session, which was the sixth to be arranged and produced by Paul Bristow. On this occasion, Paul had his family with him to provide moral AND technical support! Also in attendance at this session was Snow Recording Artist: Wil Stans.

Recorded in November 2006, the music still features the top musicians in Nashville: Gregg Galbraith – as band leader playing all lead Guitars, Terry MacMillan on Harmonica and percussion, Doug Jernigan on Steel and Dobro, Jerry Kroon on Drums, Roger Morris on Piano and Keyboards, Fiddle by Rob Hojacos, Larry Paxton on Bass Guitar, Rhythm Guitar was played by Bruce Watkins and Mark Catstevens, with Bruce also on Banjo. We also had George Tidwell on Trumpet and Kevin McManus (studio owner) as the engineer.

### Acknowledgement to Royal Records:

We are indebted to Jerry Story and Tony Oxendine who introduced us to the studio in Nashville and invited us to use the top-of-the-line professional session musicians that they had assembled, to play for Royal Records.
